

# TRC

**TEACHER RESOURCE CENTER**  
**@ LIU Bklyn's School of Education**  
**Learning Center for Educators & Families**

The TRC serves pre- and in-service teachers by developing their capacity to create meaningful, inquiry-based curriculum and by providing training and mentoring as they continue to grow in their teaching practice.

**9 HANOVER PL, 3<sup>RD</sup> FL.**

**bet. Fulton & Livingston in  
downtown Brooklyn**

**Trains: 4/2/3 to Nevins  
B/M/Q/R to Dekalb  
A/C/G to Hoyt/Schermerhorn**

## **Two workshops on strategies for supporting adolescent learners with IEPs**

### **Session 1 • Fri. 11/30, 4:30-6pm**

**IEP and Advocacy:** In this workshop we will focus on the IEP as an advocacy tool for students and their families in the middle and high school years. Specifically we will discuss the role of the IEP in transitions from middle school to high school and high school to post secondary schooling and/or employment. We will practice the writing of effective IEP's to ensure student success, including present performances, goals and supplemental services, and discuss how to effectively engage guidance counselors, teachers, and other school personnel to support student success.

### **Session 2 • Fri. 12/14, 4:30-6pm**

**IEP and Independence:** In this workshop we will focus on the assistive technologies, supports, scaffolding and differentiation techniques to promote independence and advocacy for students with low incidence disabilities. Participants will have an opportunity to explore various assistive technologies and resources towards this end. A discussion of effective instructional strategies for including students with low incidence disabilities as well as using the IEP to support their success beyond the classroom will be included.

Space is limited. Please pre-register for one or both sessions at: 718-780-6549 or [Kirsten.Cole@liu.edu](mailto:Kirsten.Cole@liu.edu)

***The TRC is funded through a generous grant from the Tietz Family Foundation***
